Study Visit Location 1: FARA Foundation

FARA Foundation has been working with orphans and abandoned children and young people since 1991. They aim at transforming the lives of some of the most vulnerable and marginalized children and young people, some with disabilities, by providing care, family support, (special needs) education and training. Its mission is to develop and provide services for these children, young people and their families enabling them to live a normal life, reach their potential, giving them a way out of poverty and promoting social and economic inclusion whilst giving Christian values and hope for the future.

More information you can find on the website: www.faracharity.org

Study Visit Location 2: NATHANAEL Farm

The original **Nathanael farm** was established as a small farm for teaching and raising orphans who came here from the County Department of child protection. The farm was conceived and organized after an American pattern, with 90 dairy Holstein cows, producing daily around 3,500 liters of milk. It is used in pastries, ice cream. It is to be mentioned that a part of the milk product is donated to the elderly asylums, children homes, when natural disasters occur, etc. Nathanael farm has around 150 hectares of agricultural land, cultivated with wheat, corn, peas, hay. In the farm there is a grain mill which was built and endowed with modern equipment, which comply with quality standards in compliance with the processing, storage and networking materials.
